I acknowledge that Web accounts will only be created for people associated with a CICL Business Shareholder and any new or updated accounts must be authorised by an owner of the business.

I understand that my account association with any farm will be terminated if the property is sold.

**\*Signed** ..... **\*Date:** .....

**Owner authorisation:-**

An owner may choose to allow someone other than the owner to access Waterways BUT a separate Waterways customer account should be created for each individual person on the Waterways system. This will allow us to track changes in the Waterways system.
