Dear Members

On 31 May 2012 CICL forwarded to you a copy of its Network Service Plan (NSP) consistent with its obligations under the *Water Charge (Infrastructure) Rules 2010 (the Rules)*.

Since then, CICL and CIMCL's Boards have confirmed their budgets and water charges for 2012-13 and the NSW Government has confirmed its water usage charges. These developments have an impact of some of the financial projections in the NSP and the attached Information Statement highlights those impacts.

Yours sincerely
